Missionaries to Panama

## MANY NEEDS!

August 12, 2010

Dear Friends,

We hope you are having a great summer. It is not summer time here in Panama but Rainy Season. It rains just about every day from May to December. We enjoy the rainy season because it is much cooler than the dry, windy and dusty season. It is also flu season here and there all kinds of lung illnesses, but we are doing fine and trust you are as well.

**OUR GIRL'S AND CHILDREN'S HOME** is doing well. We have between 20 to 30 children and girls in the home at all times. Many come and go due to legal procedures and other situations. Our greatest need with the girl's home is to have a 15 passenger van so that we can have an appropriate vehicle to transport them on a daily basis to and from the clinics, schools, government institutions, and church. If you could have a part in helping us purchase a van, please send your offering designated for the **VAN FOR GIRLS HOME** to our Home Church address. We have a few thousand dollars promised for this vehicle but it is just not enough for what we need. Thank you for your help.

**THE BIBLE COLLEGE** just started the second semester and we have seventeen students enrolled. We are very excited because we have our first International student from Honduras joining our college. This has widened our vision and we are hoping to have many more students from Central and South America this coming year. Pray that many will come and that they would have the finances to come. It will cost each student \$150.00 a month to cover enrollment, lodging and meals. Enrollment alone is only \$150.00 a year! Please pray we can keep this cost down and make it possible for many to come.

**OVER 35 SUNDAY SCHOOL CLASSES** have given our church here in David wonderful growth. We had over 1000 people in church one Sunday in July and we would love to have more classes but we have **NO MORE ROOM**. Please pray God would give us the land we need and building so we may be able to keep on growing and making a difference in this city and all across the country. This project will probably cost us at least \$2,000,000.00. We do not have this money but we know our God will supply it when needed. If you have an extra two million and want to invest it, here is an idea!

**THREE CONFERENCES** these past two months have really kept us busy. I also preached in three other conferences myself! We held a Men's Conference, a Missions Conference and an Old Paths Bible Conference. All of these were a wonderful blessing to our church. Our folks promised to give to Faith Promise Missions around \$400.00 a week for this coming year. We are hoping to be able to heavily help our missionary going to Colombia from our Church. Bro. Jose Morales and family are visiting churches here in Panama trying to raise support to go to Colombia. Please consider this couple for support even though they have never been to your church. You can send support for them through my Home Church to me and designate it to **JOSE MORALES**.

Thank you so much for your prayers. Come and visit us anytime. We have had five groups come to visit us this summer. You are welcome to come as well. You can watch our services **LIVE** on the internet. Go to the link on our websites and you can see and hear our services both live and recorded. We have a bilingual service on Sunday mornings at 11:00am. Visit us!

In His Service,

Byron and Briceida Willis

Thank you for your faithful support sent in: Jun. \$ \_\_\_\_\_; Jul. \$ \_\_\_\_\_
