## GREAT NEWS!

June 1, 2010

Dear Friends,

We praise the Lord for all of His blessing and we trust God has been blessing you as well. God has blessed our family and I thank God that my wife and children are all doing well. We now have an 18 year old son, a 15 year old daughter and a 12 year old boy. All of our children are doing well and involved in some way or another in our church and win souls for Christ.

OUR BIBLE COLLEGE started the first week of April and we are having our best year ever. One of our graduates from a couple of years ago is my right hand man in the College and we have the whole year well organized and there are 15 students enrolled. Please pray that God will give us men and women that want to serve the Lord and come to our College. It only costs \$150.00 a year for each student to attend our college. If you would like to pay someone's way through college, no doubt many more would attend.

A MEDICAL TEAM with Medical Missions Outreach came to have a medical clinic which we organized in the mountains and in our church building. They saw over 1,500 patients and our people witnessed to the patients and around 550 received Christ in their hearts. The church in the mountains has almost doubled in attendance since the clinic. We have had people coming and some have been baptized since the clinic as well.

THE LADIES CONFERENCE was a great blessing to all the ladies that attended. My wife always does a wonderful job organizing and carrying out this conference. Over 400 ladies participated and she gave away over 60 gifts during the four nights of the meeting. I think she enjoys shopping for these gifts more than anything else!

OUR MISSIONARY TO COLOMBIA, Bro. Jose Morales and family, spent the whole month of May in Colombia. Our church here in David worked hard and raised the funds to fly them to Colombia and God provided for them to be able to go and win over 110 people to Christ. They are now ready to start raising support to move to Bucaramanga, Colombia and start a good church in this city. Please consider this family for support and you may send it to my support address and designate it to JOSE MORALES. We hope this family makes it to Colombia by 2011.

OVER 60 BAPTISMS during these past two months are one of the reasons God is showing us the need we have to buy property and build a bigger building. Please pray God would provide the land we need and the building so we can accommodate at least 600 people in the auditorium and 30 class rooms. We now have 10 buses to pick up more people, but we do not have anywhere to put the people. We need your prayers if we are to meet this need.

In His Service,

Thank you for your faithful support sent in: Apr. \$ \_\_\_\_\_; May \$ \_\_\_\_\_
