

The Willis Family

Missionaries to Panama

July 31, 2008

Dear Friends,

OUR MISSIONARY IN
EL SALVADOR IS
BUILDING A CHURCH
BUILDING. PLEASE
PRAY AND GIVE IF
YOU CAN.

Thank you so much for your faithful support and for your prayers. We have been very busy the past three months. We trust you are enjoying your summer vacations and time with your families. It is always good to get away once in a while. May God bless each one of you. In the past three months we have been busy with Four Conferences, the visit of over 80 people from the States from different churches, I made a trip to preach in El Salvador, teaching in the Bible College, having a cat-scan, keeping four feeding centers going feeding 200 children, and doing the paperwork to see our Girls' Home grow.

When I was sixteen years old I won a young man to the Lord who today is a missionary in El Salvador. I went to see him in May and I was really impressed with the work he is doing. He is in a town of over 80,000 people about 10 minutes from the Guatemalan border. He has a great testimony in this town and he is building a church building. He could use all the help he can get. If you would like to help this new work in El Salvador with their building, just send me the money and I will get it to him. Make sure it says on the check that it is for Bro. Gabriel Bonilla's church building in El Salvador. Thank you so much.

We had a wonderful OLD PATHS BIBLE CONFERENCE the last week of May. Bro. Allan Domelle came to preach along with Pastor May who came with his wonderful wife. They were a great blessing and our people enjoyed the preaching. My voice held up to be able to translate all the preaching.

In June we had our ANNUAL MEN'S CONFERENCE and we had Pastor Rabon, Tippett and Aldana with us from Beacon Baptist Church in N.C. Over 100 men attended our conference each evening and we had over 60 men attend our church on Father's Day. These preachers also brought their wives and they taught in our Bible College as well as themselves. What a blessing it was to have them here.

In July we had three groups come down to visit our church, our feeding centers, and girl's home. Thanks to MANNA WORLDWIDE many people are giving so that we can feed 200 children, two meals a day, and also have a Girl's Home. These groups are always a blessing to have. One of the Pastors that came with his church preached our MISSIONS AND STEWARDSHIP CONFERENCE. Our people have committed to giving over \$1,000.00 a month to missions. We also have a YOUTH CONFERENCE on July 30-Aug. 1. Pray many of our teens will surrender their lives to serve God.

In July I also went to have a Cat-scan to see how I am doing. The technician that ran the scan was saved as a young boy in our church 15 years ago!!! He said that all looked well! Please pray for me that I may get over the allergic reactions I have to certain foods due to the side effects of the chemotherapy. Thank you once again for your faithful prayers and support. May God bless you.

In His Service,

Thank you for your support and offerings May \$ _____; Jun. \$ _____; Jul. \$ _____
